

BADEN BADEN

From Autobahn A5, take exit 51 and follow B500 into Baden-Baden (red dots on this map). Since the tunnel is closed until mid 2012, please follow the "U1" signs (dark blue on the map) - this detour should take you approx. 5-7 minutes. At the end of "U1", you will be redirected through "Lichtentaler Allee" - the famous Baden-Baden park. After approx. 3/4 mi. there is a bridge to your left with a sign directing you to our hotel. After crossing the bridge, it's only 1 minute until you reach us. Please call us at +49-(0)7221-72152 if you have any questions.
